General Horticulture Rules

1. When bringing entries in, use Vehicle Gate "A" (the UPS Delivery Gate) at the south end of the Event Center Parking Lot (Route 62, South Park Avenue).
2. You must write on your entry form the exact variety name of every article you enter in the Agriculture-Grange Building. If you do not know the exact variety name of each article, FIND OUT BEFORE YOU ENTER IT. No entries will be accepted unless the exact variety names are written on the entry form. Also, write the exact variety name on the front of the entry tags when you receive them.
3. Exhibitors must include the Latin and common name of each entry on a 3" x 5" card to be displayed with the entry.
4. To minimize errors, exhibitors must affix the correct entry tag with the exact variety name written on the front, securely to every entry. If an article is not brought in, the entry tag for that article must be returned to the Superintendent.
5. All plants must be grown by the WNY Commercial Grower (with the exception of Section E, which is open to the Hobby Grower).
6. Exhibitor is allowed only one entry in each class. Individual must be employed by a commercial grower (with the exception of Section E).
7. Exhibitor may, at the time of entry, be asked for proof of business up-to-date inspection by NYS Agriculture & Markets.
8. The exhibitor must provide appropriate container.
9. The specimen should exhibit symmetry and proper size relation to the container. In multiple plant entries, uniformity between plants is critical.
